What people say

"What a great time we had! The team who took our group out is very professional and hospitable. We had a great time. We have been to Napa many times, but this was a new perspective. The wine was great, the views are beautiful and we will do it again."

— Valerie

"Our group of colleagues were looking for a few activities in wine country. We had several meetings and events over 3 days, but the most popular was our trip on the wine yacht. It was relaxing and easy. Our group showed up and everything was ready for us: food, wine, views and information about the Napa River."

— Barbara

"Thank you to the Napa Valley Wine Yacht for all you did to make my birthday party such a success! We all had an incredible time. The food and wine presentation were amazing. The back deck even turned into a dance party!"

Looking for a small, intimate wedding venue?

Take your vows on the front deck of the Kiwi Cat with up to 10 guests. The Captain can officiate or you can bring your own officiant. The ceremony and reception are all aboard the romantic Napa Valley Wine Yacht. Dinner is served in the saloon and dancing on the back deck with music on the sound system. Perfection.
