**ABOUT THE NAPA
VALLEY WINE YACHT**

Named the "Kiwi Cat", the Napa Valley Wine Yacht has been privately owned by Bill and Sandra Dodson since 2005. Kiwi Cat was designed and built in New Zealand by ESPN TV Network for the filming of the 2000 America's Cup and later, used again in the 2003 America's Cup for its extreme stability, maneuverability, safety and comfort.

Bill and Sandra brought Kiwi Cat to Napa Valley and it is now considered one of Napa's premier attractions, hosting gala events, wine tastings and special occasions while cruising along the romantic setting of the Napa River.
